

Report On KhoKho Performance Held at The Bukasa Sub Parish Tournament

Following the tournament that was organized on **23rd May 2026** by St. Jude Catholic Church Wakiso under the Parish Youth Apostolate Games in Bukasa Zone, almost **10 disciplines** got participated in, these games were run under the theme” **protecting the environment**”, encourage fitness and provide a competitive platform for youths from their respective Zones.

The structure of the games, the games are organized in two stages; Preliminary round that is played in zones, starting with **Bukasa Zone on 23rd May 2026**, followed by **Mabombwe Zone on 30th May 2026**, then **on 6th June 2026 with Wakiso Zone**. Then on **20th June 2026** the qualified zones shall now compete on a parish level at St. Augustine’s College Kayunga Wakiso.

They were almost **4 zones** i.e. Bukasa, Nabukalu, Gimbo etc....that competed in all disciplines Including Football, Netball, Volley Ball, Sack Racing, Bottle filling, among others therefore We had a privilege that two new disciplines got demonstrated and among them was KhoKho.

I showcased KhoKho to the zone’s teams respectively and tackled the key points that the sport feature. After the teams had a fair competition. And the Innings were run following the official rules Kho Federation of India.

Amongst the 4 zones, **Gimbo** emerged the best with greater performance and points so it was chosen to represent Bukasa in the finals that shall be held in Wakiso on **20th of July 2026**.

Whilst there I managed to spot Kids that would make a perfect KhoKho Academy, potential club prayers and people who loved the sport to the extent of wanting coaching it.

So next Saturday on 30th May the games shall resume with another parish as mentioned to be at Kasengeje in Wakiso District.

In Conclusion the Tournament was successfully conducted with great sportsmanship and enthusiasm and it encouraged interests in indigenous sports.

Great thanks to the organizers and for connections too from the sports men that I was trusted with such a great occasion, am humble and open to spread Khokho to the world.

Kho to the family of sports, Khokho anywhere Khokho everywhere
